Step 4.) The next screen will show you your student's detailed information. On the left side of the screen, you will see the FLIP CLASS, which displays the weekly class schedule, links/recordings/slideshows from orientations and town halls, and Classe365 guides & FAQs.

On the right side of this same screen, you have three other sections of student information. We post many important items under the RESOURCES tab. Here you can view the most current student handbook, class attire information, and a ballet bun tutorial.
